

14 October 1955

MEMORANDUM FOR: Lt. Colonel George M. Sander, 2885A, USAF
THROUGH: Commander, 1007th Air Intelligence Service
Group, Washington 25, D. C.
SUBJECT: Commendation

1. I wish to commend you for the significant service you have rendered to the National Intelligence Survey during your three-year assignment to this Office.

2. In the course of this assignment you have effectively discharged highly important responsibilities for the evaluative review of intelligence materials prepared by the Military Intelligence Agencies for Chapter III (Transportation and Telecommunications) of the National Intelligence Survey on a world-wide basis. The commendable manner in which you discharged these responsibilities has included the important aspect of providing continuing guidance to the specialized producers of this material in fulfilling National Intelligence requirements.

3. You have demonstrated familiarity with a wide range of basic intelligence subject matter, a sound intelligence perspective, and an effective capability for establishing and maintaining productive relationship with technical personnel of other Services as well as your own.

USAF review(s) completed.
